MOOD COLLECTION.
MOLTO PIÙ DI UNA COLLEZIONE.

MOOD Collection di Colombo Design dà spazio al colore e alla creatività. Un nuovo modo di presentare e interpretare la maniglia. Protagonista è il colore, con la sua capacità di esprimere il sentiment di chi lo sceglie e di plasmare l'ambiente, arricchendolo di stimoli visivi che parlino delle persone che lo vivono. A disposizione una gamma di 12 colori, accuratamente selezionati per poter definire il mood di una stanza, così come lo stile di una porta o di un serramento, attraverso accostamenti tono su tono o in contrasto. L'elevata qualità del materiale e l'utilizzo di vernici di ultima generazione sono espressione di un rinnovato impegno verso la tutela dell'ambiente e la riduzione dello spreco delle risorse, fattori che consentono di estendere la garanzia di questa collezione a 10 anni. La gestione accurata dei processi produttivi è confermata dalla certificazione UNI EN ISO 14001 «Sistema di gestione ambientale certificato».

MOOD COLLECTION.
MUCH MORE THAN A COLLECTION.

Colombo Design's MOOD Collection gives space to colour and creativity. A new way of presenting and conceiving the handle. Colour is the key player, with its ability to express the sentiment of those who choose it and to shape the ambience, enriching it with visual stimulations from the people who live in it. A range of 12 colours is available, carefully selected to define the mood of a space, and the style of a door or window through tone-on-tone or contrasting combinations. The high quality of the material and the use of latest generation paints are the expression of a renewed commitment to protecting the environment and reducing the waste of resources, thus allowing the warranty of this collection to be extended to 10 years. The careful management of production processes is confirmed by the UNI EN ISO 14001 "Certified environmental management system" certification.
