

NOUR

by Edward van Vliet

Inspired by the East

Our NOUR collection by Edward van Vliet combines an international appeal and aesthetic with excellent ergonomic features. The door handle's design perfectly fits into the shape of your hand thanks to the streamlined silhouettes. In addition to its excellent ergonomic factor, this special design has drawn on many aesthetic influences from the Far and Middle East.

Onze NOUR collectie by Edward van Vliet combineert internationale kenmerken en esthetiek met uitstekende ergonomische eigenschappen. De gestroomlijnde vormen zorgen ervoor dat de deurkruk perfect samensmelt met de hand op het moment van aanraking. Los van deze uitmuntende ergonomie is een ander uniek kenmerk, het bijzondere design dat tot stand is gekomen door oosterse invloeden.

“Layers creating depth and dimension are key at Studio Edward van Vliet. Our door fittings are the hidden gems of these architectural layers. Treasures that enrich and personalize each space.”

Texture and refinement

NOUR reference: CINQ Restaurant
Interior design: Niels Maier Interior Design

Product : NOUR EV101P211 PVD satin gold

At restaurant CINQ, a restrained palette and controlled contrasts create a dining atmosphere where material quality and detailing take the lead. Layered textures and refined surfaces make the interior feel calm, composed and carefully considered.

The NOUR collection by Edward van Vliet introduces softly contoured forms and tactile detailing, adding warmth and depth while aligning naturally with the interior's refined material expression.

In restaurant CINQ zorgen een terughoudend palet en beheerste contrasten voor een eetomgeving waarin materiaal en detaillering centraal staan. Gelaagde texturen en verfijnde oppervlakken maken het interieur rustig, zorgvuldig en in balans.

De NOUR-collectie van Edward van Vliet voegt met zacht gevormde lijnen en tactiele details warmte en diepte toe en sluit vanzelfsprekend aan bij de verfijnde materiële uitstraling van het interieur.
