

TENSE

by Bertram Beerbaum

Robust and chique

Our TENSE collection by Bertram Beerbaum is guided by a clean aesthetic that is as robust as it is chic. Every design in the series is unique TENSE signature. The core of every design is the cylindrical neck to which each rectangular lever is connected in its own unique way. This is thanks to our extreme high precision welding technique, which forms a secure joint between two very different shapes.

Een duidelijke, stoere maar vooral chique vormtaal is de kracht achter onze TENSE collectie by Bertram Beerbaum. De ontwerpen in deze collectie zijn alle uniek, maar toch draagt elk design de onmiskenbare TENSE signature. Het hart wordt gevormd door de cilindrische nek, die aan elk ontwerp ten grondslag ligt. De nek wordt telkens op een bijzondere manier aan het vlakke handvat bevestigd. Dit is te danken aan onze precisie-lastechniek, die de verbinding creëert tussen deze twee zeer verschillende vormen.

by Bertram Beerbaum

“Door handles may seem like an inconspicuous part in the home, but the devil is in the detail.”

Laren, the Netherlands

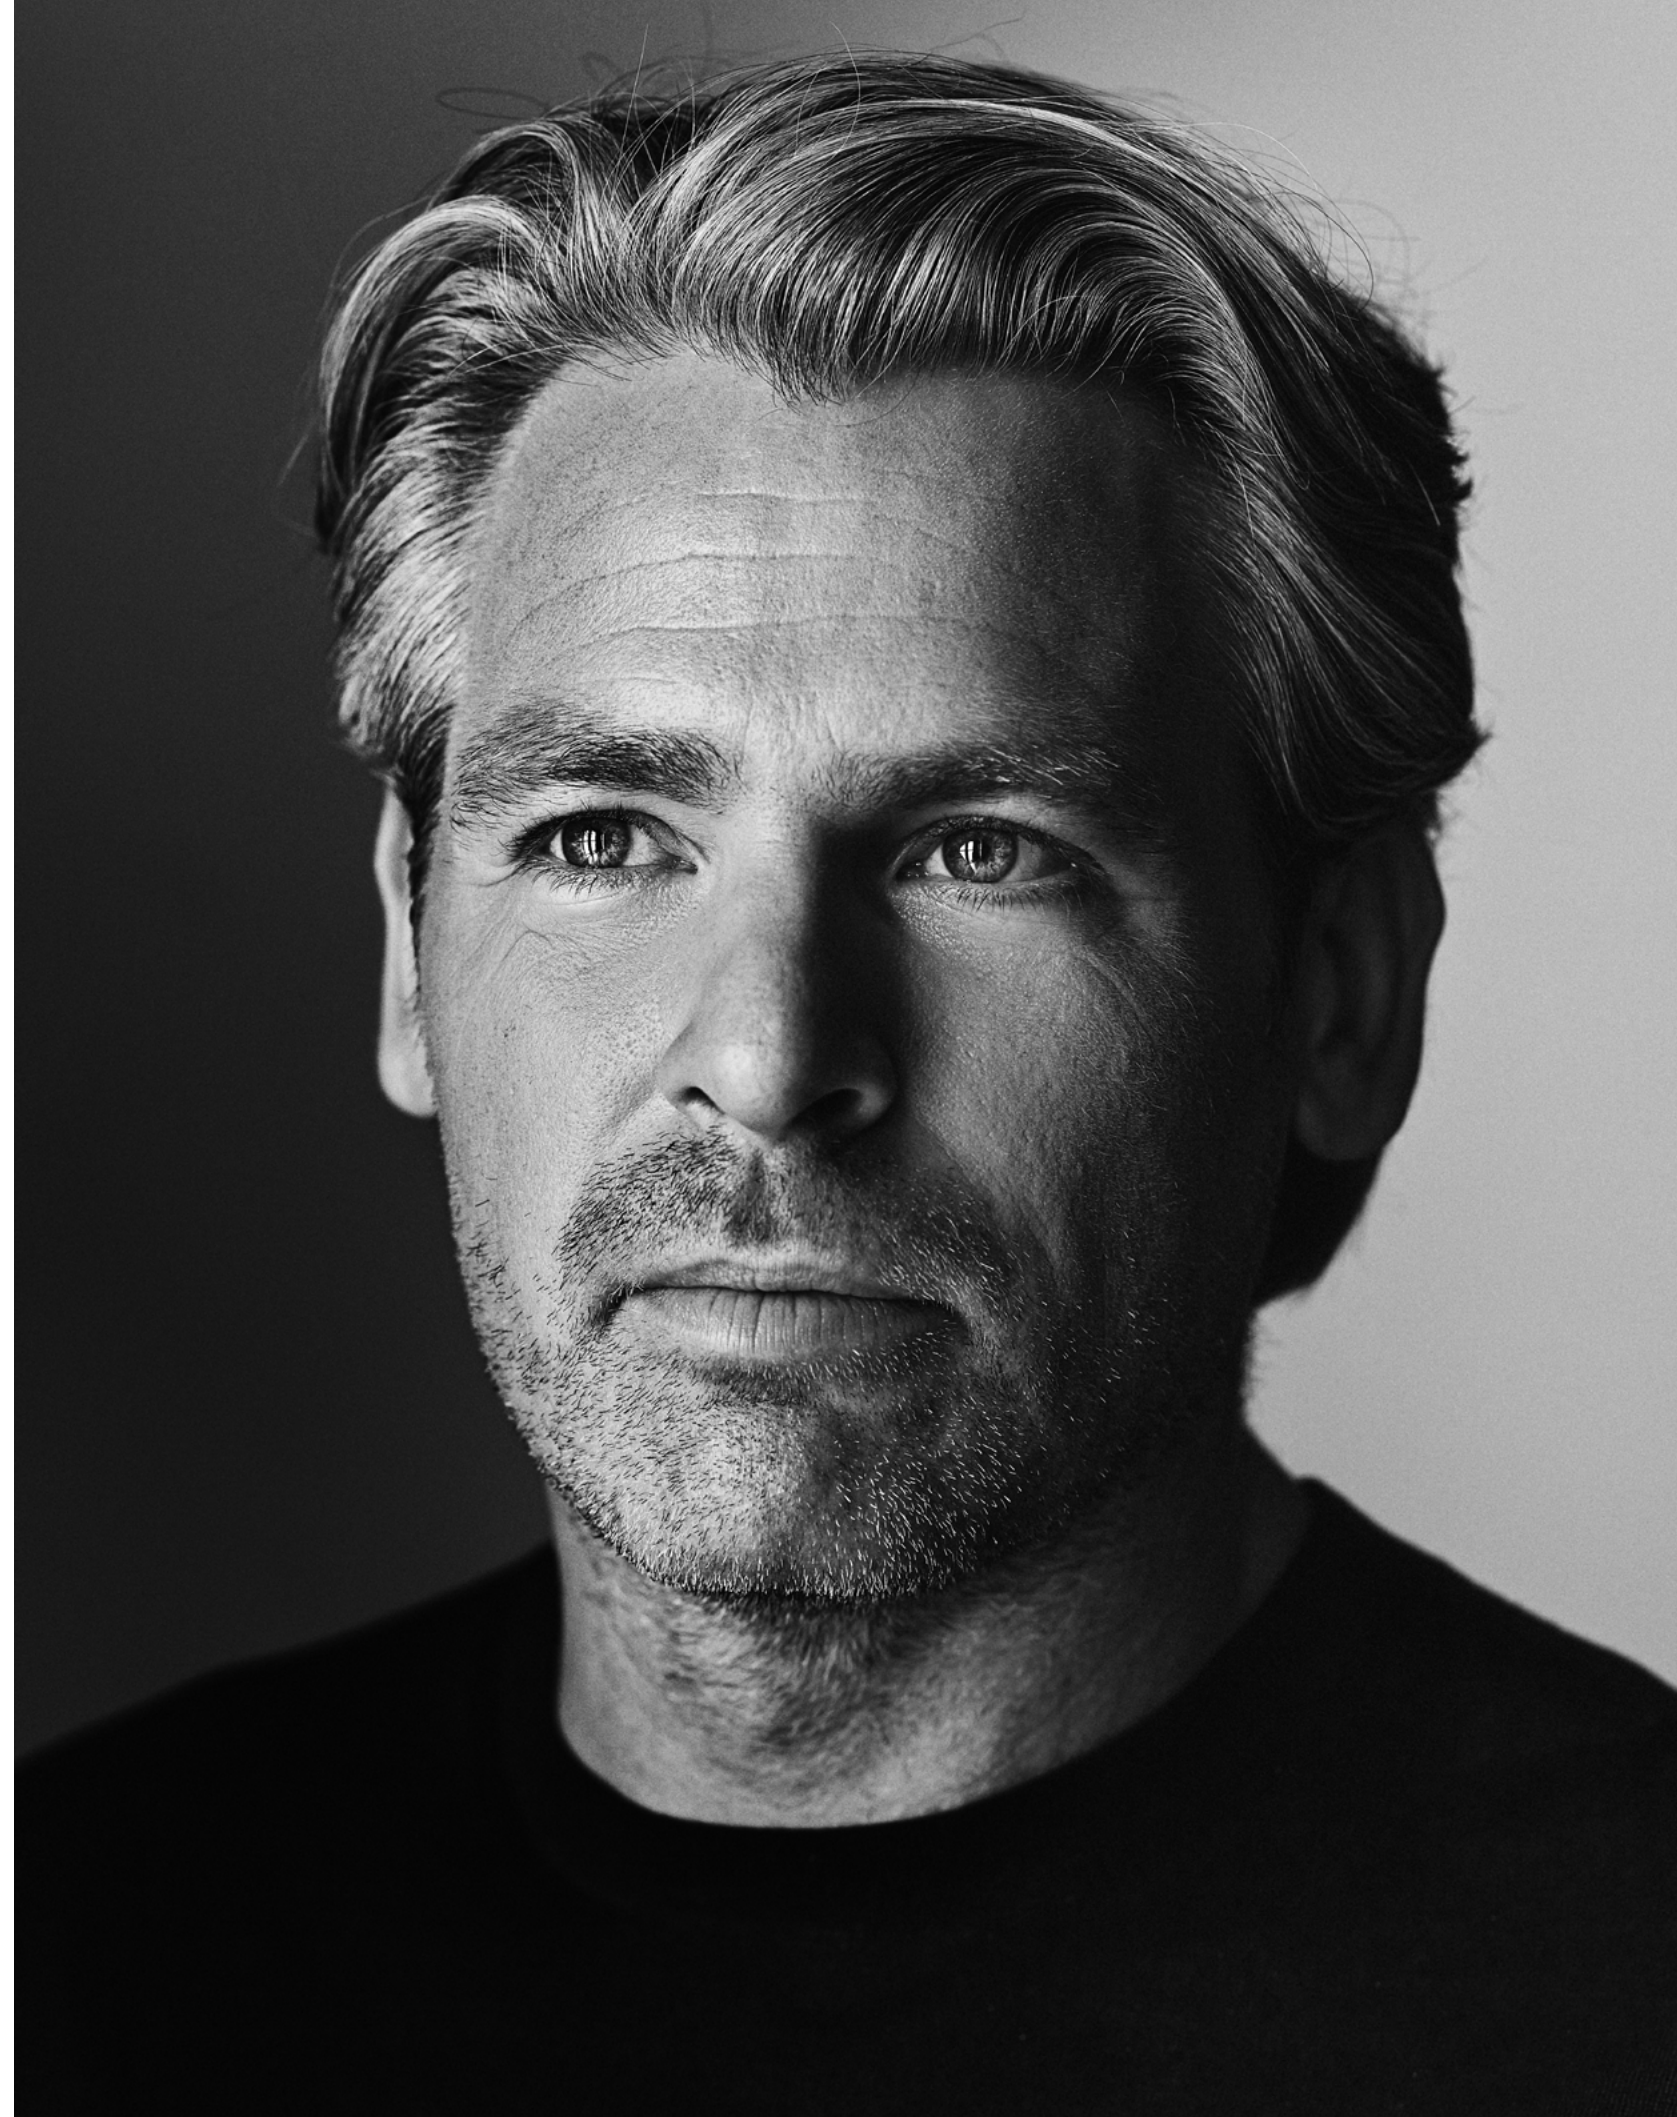

Design philosophy:

“I prefer to design a product that combines design and convenience in a natural way. Any product that I design must be something tough, chic and timeless with a tad own wisdom in them. Functional products with a surprising twist.”

Mühlbach am Hochkonig, Austria

Intimacy and tactility

TENSE reference: Stieg'nhaus Design Boutique Hotel
Interior design: Hkollektive plan gmbh
Photography: Karin Pasterer
Product: TENSE BB100 bronze (below, next page – left),
TENSE BB500 bronze (next page – right)

In the alpine village of Mühlbach am Hochkönig, Stieg'nhaus Design Boutique Hotel combines local tradition with a contemporary, carefully reduced interior approach. Natural materials and tactile surfaces create a calm atmosphere with a clear sense of material richness.

With only six suites, the experience feels intimate and deliberate. The TENSE collection supports the quiet character of the interior through a precise and understated presence.

In het alpine dorp Mühlbach am Hochkönig verenigt Stieg'nhaus Design Boutique Hotel lokale traditie met een hedendaagse, zorgvuldig uitgewerkte interieurbenadering. Natuurlijke materialen en tactiele oppervlakken zorgen voor rust en een duidelijke materiële rijkheid.

Met slechts zes suites voelt de beleving intiem en doordacht. De TENSE-collectie ondersteunt het rustige karakter van het interieur met een precieze en ingetogen aanwezigheid.
